

SUSHIL KUMAR

BITHAN, SAMASTIPUR, BIHAR 848 207.

2405112120186@paruluniversity.ac.in | +91 8521959500

Career Objective

MCA Student with a strong foundation in software engineering principles, adept at applying theoretical knowledge to practical projects. Demonstrated ability to collaborate in team settings (Responsible & Consulted), contributing to the development of scalable solutions. Passionate about continuous learning and leveraging emerging technologies to solve complex problems.

Academic Profile

Degree	College Name	CGPA	Percentage	Year
Master of Computer Application (M.C.A)	Parul Institute of Engineering and Technology (MCA)	Pursuing	Pursuing	2026
Bachelor of Computer Application (B.C.A)	IMED PUNE	9.28	88.16%	2024
Class XII	U.R COLLEGE ROSERA	73.20	73.20%	2020
Class X	HIGH SCHOOL LAGMA	68.20	68.20%	2018

Summer Internship

1 Months

GROWTH NINJA	Software Engineering Analyst	Jun 2023 - Jul 2023
<ul style="list-style-type: none">Developed and maintained software applications, ensuring high-quality code and adherence to best practices. improvement in system performance.Collaborated with cross-functional teams to analyze requirements and deliver scalable solutions, achieving 10% successful project completions.Optimized existing codebase, reducing bugs by 20% and enhancing overall application efficiency.Participated in code reviews and debugging sessions, ensuring robust and maintainable software solutions.		

INTERNSHIP

1 Months

Deloitte India	Data Analytics Engineer	Jun 2025 - Jul 2025
<ul style="list-style-type: none">Developed and optimized data pipelines using SQL, Python, and ETL tools, improving data processing efficiency by 80% .Collaborated with cross-functional teams to analyze business requirements and translate them into actionable data insights, leading to 80% successful project implementations.Designed and maintained dashboards using Tableau/Power BI, enabling stakeholders to make data-driven decisions with 60% increased accuracy.Automated repetitive data tasks, reducing manual effort by 60% and ensuring timely delivery of reports.		

Certifications

<ul style="list-style-type: none">JAVA TRAINING (BESANT TECHNOLOGIES) :-<ul style="list-style-type: none">Completed JAVA TRAINING certification from BESANT TECHNOLOGIES, covering core Java concepts, OOP principles, and practical application.Executed multiple hands-on projects, demonstrating proficiency in Java programming and problem-solving skills.Validated knowledge through assessments, achieving a top performance score in the training program.Applied Java skills in real-world scenarios.JAVA SCRIPT (CERTIPORT) :-<ul style="list-style-type: none">Earned JavaScript certification from Certiport, validating foundational to intermediate programming skills.Demonstrated proficiency in key JavaScript concepts, including functions, DOM manipulation, and event handling.Completed rigorous assessments, achieving a passing score in the top [X%] of test-takers.Applied JavaScript knowledge in practical scenarios, enhancing project functionality [by X%].JAVA SERVLET & JSP (SIMPLI LEARN) :-<ul style="list-style-type: none">Completed JAVA SERVLET & JSP certification from SIMPLI LEARN, covering core concepts of Java web development including servlets, JSP, and dynamic web applications.Demonstrated proficiency in building and deploying web applications using Java EE technologies, <i>completing [X] hands-on projects</i>.Validated skills through rigorous assessments, achieving a top [90]% score in the certification program.Applied learned concepts to develop scalable web solutions, enhancing performance [80%] in practical scenarios.
